What knowledge do you want to share?

What knowledge do you want to generate, share, and/or use? Share the main learning objective of this Knowledge Sharing (KS) initiative.

Why is this knowledge relevant to CARE?

Why do you consider this knowledge relevant to CARE's mission/vision?. How the main objective of the KS initiative is contributing to the achievement of the specific objectives of our Sexual and Reproductive Health work (Locally, regionally, and globally)?

How do you intend to share the knowledge?

What are the main activities of the learning process? Which knowledge sharing method(s) will you use?

Who will benefit from this knowledge?

Who are the people involved in the KS initiative and how will this knowledge be useful for them? Who (outside the group) will find this knowledge useful and why?

How will you measure success?

How will you know if you achieve your main learning objective? What are the indicators of success?

What are the associated costs of your KS initiative?

Please develop a brief budget and include it with your proposal. If you have a match (money or in-kind) include it as part of the total budget.

Do you require any assistance?

Will you need help from the Sexual and Reproductive Health Technical Advisor? If so, for what?
